

A technical drawing of a square plate. The drawing is centered on a grid. The grid consists of three vertical lines and three horizontal lines. The top horizontal line is the top edge of the plate. The bottom horizontal line is the bottom edge of the plate. The left vertical line is the left edge of the plate. The right vertical line is the right edge of the plate. The center of the plate is at the intersection of the middle vertical and middle horizontal lines. The text "#397" is centered on the plate. Below it, the text "kesa XLS 265x400x120mm" is centered. There are two small red tick marks on the top edge of the plate, one on the left and one on the right. There are also two small red tick marks on the bottom edge of the plate, one on the left and one on the right. The plate is a square with a side length of 400mm. The thickness is 120mm. The material is XLS. The drawing is a top view of the plate.

#397
